RE: Representation on Patent application 10/672,594 Inventor Jeffrey Wright

Dear Mr. Johnson,

I am forwarding a copy of the Power of Attorney executed by the inventor in my favor in regard to his patent application, no. 10/672,594. Mr. Wright has engaged me to represent him in further prosecution of this application.

I have copies of the application specification and drawings, and a partial copy of your office action of on or around February 29, 2004. As often happens, the applicant has mislaid the office action cover page, Form PTO-90C. This of course means I do not currently have the mailing date of your office action, nor the shortened deadline for reply.

Please allow me to give you a call tomorrow <sup>or earlier</sup> to obtain the mailing date for your office action, and a very brief discussion to update myself on this application. If it is more convenient, you may call me at any time at the telephone number above, recognizing the 3-hour time difference between our respective offices.

Regards, *Michael A. Shippey*
